

Superintendent Goals

2017-2018

1. Continue to seek ways to improve communications between the Buildings, the District and our Community.
2. Lead the District through the transition from NCLB to ESSA by providing up-to-date information and guidance to staff and stakeholders as it becomes available.
3. Promote positive messages about our District to our community about what staff and students are doing to improve teaching, learning, and college/career readiness.
4. Prepare for a potential bond election in February to construct new facilities at our campuses.
5. Lead the District through changes in funding models based on SSB 2242 (Supplemental Senate Bill- "McCleary Bill").
